Balls

Muscle Release Balls: Black Pair

Reduce muscle tightness and deepen your yoga practice!

These easy to use massage balls gently work out the kinks anywhere, anytime. They help you soften and release areas that hold tension, allowing you to move into poses with more ease.

Also comes with a handy carrying bag that doubles as a prop. Used in the mesh bag you can roll them on either side of your spine to bring flexibility to your back muscles and enhance your practice.

Therapeutic Benefits:

*Reduce repetitive strain issues and aids in releasing deep muscle tissues (e.g. IT bands and tensor fasciae latae muscles)

*Stimulates reflexology points on the hands and feet and can reduce or eliminate headaches by laying on top of the yellow balls at back of head at the sub occipital area.

Muscle Release Balls: Black Pair - \$20 per pair

Blocks

3" EVA Foam Block

3" x 6" x 9"

These blocks are versatile and lightweight enough to take them along. Their slightly soft surface makes them comfortable to use, quiet in yoga class, and safe to use in inversions or any pose where they might fall. A set of two opens a whole world of possibilities for using a block on both sides to lift, balance and support your postures.

3" Foam Blocks: Eggplant or Twilight - \$12 each

Chip Foam Block Cover

If you have a chip foam block (or 20) you'll appreciate this handy snug-fitting cover. It's easy to remove and toss in the wash between classes. Made of shrink-resistant microtech fabric with a velcro closure. It keeps your chip foam blocks fresh and clean and extends their lifespan.

Protect or refresh your investment with these great block covers.

Hand-made at [Halfmoon Yoga Products](http://HalfmoonYogaProducts.com).

Microtech Mocha - \$14 each

Chip Foam Block WITH Cover: Wine or Mocha - \$25 each

Chip Foam Block

2" x 8" x 12"

Chip foam blocks are an essential prop for introductory yoga, challenging asanas, restorative work and therapeutic poses. Stack them to support standing poses or lay them out for the perfect shoulder stand surface.

Hands down the most versatile prop available, a set of four is the perfect number to have for a variety of sitting, standing, reclined, reversed, inverted and twisting poses. Go ahead and play yoga! Canadian-made from foam off cuts.

Chip Foam Block - \$12 each

Cork Blocks

3.5" x 5.5" x 9"

Cork Blocks are an environmentally sustainable, natural product. Naturally antibacterial, quiet and sturdy. The Cork block provides lots of traction when used on a yoga mat.

A renewable, sustainable resource, cork lasts for years, and makes an ideal yoga block. Cork is harvested by shaving the cork trees which results in better health for the tree and makes cork a small footprint material. The texture, combined with your sticky mat, provides incredible traction and supports your yoga poses safely and comfortably.

Cork Blocks - \$26 each

Cork Wedge

22.5" x 3.5" x 1.2"

This Cork Wedge is an environmentally sustainable, natural product. Wedges are used in yoga poses to decrease wrist and carpal tunnel pressure in downward dog (point the wedge away from you) or as a lift under your heels to help you root and ground (point the wedge toward you). The cork texture, combined with your sticky mat, provides great traction and supports yoga poses safely. The new bevelled upper edge is more comfortable under the hands. Use this wedge on or under your yoga mat.

India Cotton Blanket

60"x 80"

For your yoga practice and beyond. Designed for gentle cushioning and support while you're sitting or in shoulder stand, this versatile blanket can imitate a bolster, add height to a block, and offer a comfy layer for savasana.

It's so handsome, you'll probably want to drape one over your sofa and it's so cozy you'll want to wrap yourself up in it while you sip tea, curl up with a juicy read, or relax with a great flick.

Our new brown and natural blankets feature a flat hem!

Joy-a-Toes: Small or Large

Finally a perfect remedy for our sorely neglected feet! Joy-a-Toes are the most versatile patented toe spreader on the market. Made from a comfortable gel material they are an incredible prop that can be worn during your yoga practice, out and about in certain footwear and around your house.

Joy-a-Toes help:

- *Relax and rejuvenate tired, achy and swollen feet
- *Realign the bones and soft tissue
- *Stimulate circulation, increase flexibility & strength
- *Open the energy channels and revitalize the body

Available in Small and Large and that's not about your foot size. It's about how much space you have between your toes - most people should start with small.

There is a period of adjustment as your toes get used to being free and full of life. Start out wearing them 5-20 minutes, 3 times per day. As your feet realign and open you will be able to wear them for a longer period of time. Free your feet, one toe at a time!

Designed in Vancouver, B.C.
